INTERSTATE COMMERCE COMMISSION

THIS RAILROAD EQUIPMENT LEASE, No. ITG 2360, ("Lease") is entered into as of this 16th day of November 1990 by and between ITG INCORPORATED, a Texas corporation (hereinafter referred to as "Lessor"), and CONSOLIDATED RAIL CORPORATION, a Pennsylvania corporation (hereinafter referred to as "Lessee").

WHEREAS, Lessee desires to lease from Lessor and Lessor desires to lease to Lessee all of the items of equipment specified in Exhibit A attached hereto (hereinafter collectively referred to as the "Units" and singularly referred to as a "Unit") on the terms and conditions stated herein.

NOW, THEREFORE, in consideration of the mutual premises, covenants and agreements set forth herein, the parties hereby agree as follows:

1. Lease of Units. Lessor hereby leases to Lessee and Lessee hereby leases from Lessor the Units, to have and to hold the same unto Lessee for the period (a) as to each Unit, commencing on the date that such Unit is delivered to and accepted by Lessee (the "Delivery Date") up to but not including the first day of the month following the Delivery Date for the last Unit hereunder (the "Commencement Date") (such period from the Delivery Date of a Unit up to but not including the Commencement Date hereinafter referred to as the "Interim Term" for such Unit) and (b) as to all Units, commencing on the Commencement Date and ending on December 31, 1993 (the date 36 months after the Commencement Date (the "Basic Term Expiration Date"), or such earlier date as this Lease may be terminated with respect to the Units, or any of them, in accordance with the provisions hereof. The period of time commencing on the Commencement Date and ending on the Basic Term Expiration Date shall sometimes hereinafter be referred to as the "Basic Term." The Interim Term and the Basic Term shall sometimes hereinafter be referred to as the "Term".

/

In the event the 40 ITG 9000 Series cars covered under this Lease cannot load and discharge an amount equal to that loaded and discharged by the 51 Conrail rapid discharge hopper cars currently in service to Ohio Valley Coal Company in the same or less time during normal operation ("Load/Discharge Time"), the Lessee shall have the one time right to cancel this Lease in its entirety within 30 working days (exclusive of the holiday period of December 23, 1990 through January 2, 1991) of the initial delivery date of the cars to the Lessee, provided that Lessee has notified Lessor via Fax within fifteen (15) working days of initial delivery that the Load/Discharge Time requirements are not being met and has further provided Lessor five (5) working days to correct any related Load/Discharge Time deficiencies.

Should the failure to meet the Load/Discharge Time requirements cause a cancellation of the lease, the Lessee agrees to pay Lessor a minimum of one month's rental.

Normal operation is defined as all associated material moving and material handling devices operating efficiently and not causing a delay in the load or discharge operation of a car.

2. Rent. Lessee agrees to pay to Lessor, at Lessor's offices located at 106 N. Main Street, Victoria, Texas 77901 or to such other persons or at such other places as the Lessor may direct from time to time by written notice to Lessee, in coin or currency which at the time of payment is legal tender for payment of public and private debts in the United States of America, the amount of Rent specified in Exhibit B attached hereto (the "Rent") during the Term of this Lease. The Rent provided for herein and then in effect, shall be due and payable (a) as to Interim Rent in arrears on the Commencement Date and (b) as to Basic Rent in arrears on the first day of the month following the Commencement Date and on the first day of each calendar month thereafter during the Term of this Lease, with the Final Rental Payment due on the Basic Term Expiration Date without demand or setoff. The Lessee shall also pay, as additional rent, all such other sums of money as shall become due and payable by Lessee to Lessor under this Lease (the Interim Rent and any additional rent due hereunder are sometimes hereinafter referred to as "Gross Rent"). All past due installments of Gross Rent shall bear interest from date due until paid at the greater of (a) fourteen percent (14%) per annum or (b) the annual rate of five percent (5%) plus the prime rate announced from time to time by the Wall Street Journal during the period of delinquency, but in no event greater than the maximum rate permitted by applicable law.

This Lease is a Full Maintenance Lease and except as expressly provided herein the Lessee shall not be entitled to an abatement of rent or additional rent, or setoff against or recoupment or reduction of Rent or additional rent, including, but not limited to, abatements, setoffs, reductions or recoupments due or alleged to be due by reason of any past, present or future claims or counter-claims of the Lessee against the Lessor under this Lease. Except as expressly provided herein the Lessee's obligations hereunder, including its obligations to pay all Rent, additional Rent and other amounts hereunder, shall be absolute and unconditional under any and all circumstances, and, except as otherwise expressly provided herein, this Lease shall not terminate, nor shall the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or

destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for and other cause whether similar or dissimilar to the foregoing, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. So long as no Event of Default exists hereunder if Lessor or anyone lawfully claiming under or through Lessor shall interfere with Lessee's possession and use of any Unit, Lessee's obligation to pay Rent with respect to such Unit hereunder shall abate for so long as such interference continues and nothing in this Section 2 shall be deemed to constitute a waiver of any claim or right of action that Lessee may have against Lessor as a result of this Lease or otherwise.

3. Delivery and Acceptance of Units. Lessor, at its expense, will cause each Unit to be tendered to the Lessee at such point or points as are set forth on Exhibit B attached hereto. Prior to such tender Lessee will cause its authorized inspectors or representatives to conduct a joint inspection of the Units with representatives of Lessor, and if such Units are found to be satisfactory to Lessee and in good operating order and repair, to accept delivery of such Units (or so many of such Units as are acceptable to Lessee) and to execute and deliver to the Lessor a certificate in the form of Exhibit C hereto signed by a responsible officer of the Lessee acknowledging the delivery of the Units by Lessor, the conformance of such Units to the requirements of the Interchange Rules of the Association of American Railroads and the acceptance of the Units by Lessee, whereupon such Units shall be deemed to have been delivered to and accepted by the Lessee under this Lease and shall be subject thereafter to all of the terms and conditions of this Lease and such Lessee's certificate shall be absolutely binding upon Lessee. On the first day of the month following the delivery to and acceptance by Lessee of all Units shown on Exhibit A, unless otherwise agreed between Lessor and Lessee (the "Commencement Date"), the Interim Term as to all Units shall end and the Basic Term commence.

4. Maintenance and Repairs. Lessee shall promptly notify Lessor upon receipt by Lessee of knowledge of any damage to any of the cars. Lessor shall, at its expense, perform, arrange, and pay for all maintenance and repairs made necessary by ordinary wear and tear, or otherwise

necessary to keep the cars in good condition and repair under the Interchange Rules. Except for running repairs (as specified in the Association of American Railroads Rules for interchange) Lessee shall not repair, or authorize the repair of, any of the cars without Lessor's prior written consent which shall be promptly given. The amount Lessor will pay for such running repairs shall not be in excess of the published car repair billing (Office Manual--AAR), in effect at the time the repair is made, provided by the Association of American Railroads. If any car becomes unfit for service and requires repairs, other than repairs made by railroads, rental charges will cease five (5) days after receipt of such car at a shop authorized by Lessor, provided that Lessee has notified Lessor prior to the time car is routed to shop. In the event Lessee fails to so notify Lessor, rental charges shall cease five (5) days after receipt by Lessor of notification of the arrival of the car at a shop authorized by Lessor. The shop of Berwind Railway Service in Hollidaysburg, Pennsylvania shall be the primary shop authorized by Lessor for making repairs. In all cases, after a car has been repaired, Lessor will notify Lessee according to paragraph 20 hereof and Lessee will promptly thereafter cause such repairs to be inspected and, upon inspection will furnish Lessor written acceptance of such repairs. Rental charges will resume on the earlier of the date of acceptance after inspection or six (6) days after Lessee received notice from Lessor that repairs have been effected. In addition to the requirements of paragraph 20, all notices with respect to this paragraph 4 shall be made initially by fax transmission followed by confirmation copies mailed according to paragraph 20. Repair and maintenance notices to Lessee shall be sent to Mr. Tom McGraw, Director of Finance, Room 1310, 6 Penn Center Plaza, Philadelphia, Pennsylvania 19103 at fax number (215) 977-5346 with copies to Mechanical Department, Attention L. L. Kane, or, W. T. (Bill) Kelly at fax number (215) 977-1310. Repair notices to Lessor shall be sent to ITG, INC., P. O. Box 1777, Victoria, Texas 77902, Attention C. L. Perkins at fax number (512) 573-6452.

If any repairs are required as a result of Rule 95 damage, the misuse by or negligence of Lessee, its consignee, agent, or sublessee, or while on a railroad that does not subscribe to, or fails to meet its responsibility under, the Interchange Rules of the AAR, or while on any private siding or track or any private or industrial railroad, the rental charge shall continue during the rental period, and Lessee agrees to pay Lessor for the cost of such repairs. It is understood that no rental credits will be issued for cars in a shop for repairs which are Lessee's responsibility.

5. Disclaimer of Warranties. LESSOR, BEING NEITHER THE MANUFACTURER OF THE UNITS NOR THE MANUFACTURER'S AGENT,

HEREBY EXPRESSLY DISCLAIMS AND MAKES TO LESSEE NO WARRANTY OR REPRESENTATION, EXPRESSED OR IMPLIED, OR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO: THE FITNESS FOR USE, THE DESIGN OR THE CONDITION OF THE UNITS; THE QUALITY OR CAPACITY OF THE UNITS; THE WORKMANSHIP IN THE UNITS; OR THAT THE UNITS WILL SATISFY THE REQUIREMENTS OF ANY LAW, RULE, SPECIFICATION OR CONTRACT PERTAINING THERETO, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN LESSOR AND LESSEE, ARE TO BE BORNE BY THE LESSEE. LESSOR IS NOT RESPONSIBLE OR LIABLE FOR ANY DIRECT, INDIRECT OR CONSEQUENTIAL DAMAGE TO OR LOSSES RESULTING FROM THE INSTALLATION, OPERATION OF USE OF THE UNITS OR ANY UNIT. Lessor hereby acknowledges that any manufacturer's and/or seller's warranties are for the benefit of both Lessor and Lessee. Lessee's acceptance of delivery of the Units shall be conclusive evidence, as between Lessor and Lessee, that each Unit described in any Lessee's certificate executed pursuant to Section 3 above, is in all of the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against Lessor based on all or any one of the foregoing matters.

6. Use of the Units. Lessee agrees, for the benefit of Lessor, to use the Units predominantly in the United States and to comply in all respects with all laws of the jurisdictions in which operations involving any Unit subject to this Lease may extend, with the Interchange Rules and the Codes of Car Hire and Car Service Rules of the Association of American Railroads, if applicable, and with all rules and regulations of the Interstate Commerce Commission, the Department of Transportation and any other legislative, executive, administrative, judicial or governmental body exercising any power or jurisdiction over any such Unit, to the extent such laws and rules affect the ownership, possession, operations or use of such Unit; and Lessee shall and does hereby indemnify and hold harmless Lessor from and against any and all liability and damages that may arise from any violation of this Section 6, or of any such laws, rules or regulations By Lessee, its agents, employees, or any other person. In the event that such laws, rules or regulations require any alteration, change, modification or enhancement of any nature whatsoever to the Units or any Unit and such alterations, changes, modifications or enhancements in the aggregate exceed One Thousand Dollars (\$1000.00) for any Unit, Lessee, at its sole option, may: (i) make such alterations, changes, modifications and enhancements at its own expense and to use, maintain and operate such Units in full compliance with such laws, rules, and regulations so long as such Units are subject to this Lease; provided, however, that Lessee may, in good faith, contest the validity or application of any such law, rule or regulation in any reasonable manner that does not, in the sole opinion of Lessee, adversely affect the rights of Lessor in the Units or

hereunder, or (ii) terminate this Lease and return the Units to Lessor, unless Lessor agrees, at its cost and expense, to make the necessary alterations, changes, modifications or enhancements, with the rental being abated while such alterations, changes, modifications or enhancements are being made.

7. Filings. Lessee agrees to prepare and deliver to Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of, and furnish a copy to Lessor) any and all reports required to be filed by Lessor which Lessor has advised Lessee, in writing, are required to be filed by Lessor or requested by Lessor to be filed, with any federal, state or other regulatory authority by reason of the ownership by Lessor of the Units, the security title of Lessor to the Units or the leasing of the Units to Lessee; provided, however, that Lessor shall be responsible for filing this Lease with the Interstate Commerce Commission pursuant to 49 U.S.C. 11303.

Lessee will cause each Unit to be kept numbered with Lessor's reporting marks and identifying number as set forth in Exhibit A hereto and all other markings and stenciling required by the Interchange Rules and the Codes of Car Hire and Car Service Rules of the Association of American Railroads, as the same may be amended from time to time, and will keep and maintain Lessor's reporting marks and identifying number, plainly, distinctly, permanently and conspicuously marked on each side of each Unit.

Lessee will not allow the name of any person, association or corporation to be placed on any of the Units as a designation which might be interpreted as a claim of ownership thereof.

8. Taxes and Other Assessments. Lessee shall be responsible for, and shall indemnify and hold Lessor harmless from, all taxes (including, without limitation, sales, use, excise, import, domestication, personal property, ad valorem, withholding, stamp, documentary and other taxes imposed in lieu of such taxes, and excluding only any federal income taxes of Lessor or any state, local or foreign taxes imposed upon or measured by net income of Lessor or imposed in lieu of such taxes), license fees, assessments, charges, duties, fines and penalties, currently or hereinafter levied or imposed by any state, local, federal or foreign authority (all such expenses, taxes, license fees, assessments, charges, fines or penalties being hereinafter called "Assessments") upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment or delivery made pursuant to this Lease that are in addition to any taxes already imposed upon Lessor solely as a result of its

ownership of the Units and will keep at all times all and every part of the Units free and clear of all Assessments (other than assessments that are not the responsibility of Lessee pursuant to this Section 8) that might in any way affect the title of Lessor to any Unit or result in a lien upon any Unit. In the event that during the continuance of this Lease any reports or information with respect to Assessments involving the Units are required to be made or provided, Lessee will make or provide such information or reports in such manner as shall be satisfactory to Lessor. Lessee shall, whenever requested by Lessor, submit to Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to Lessor of Lessee's performance of its duties under this Section 8. Lessee shall also furnish promptly on request all data as Lessor shall reasonably require to permit Lessor's compliance with the requirements of taxing jurisdictions.

To the extent that Lessee is prohibited by law from performing in its own name the duties required by this Section 8, and only to such extent, Lessor hereby authorizes Lessee to act in Lessor's name and on its behalf; provided, however, that Lessee shall indemnify and hold Lessor harmless from and against any and all claims, cost, expenses, damages, losses and liabilities incurred in connection therewith as a result of or incident to, any action by Lessee pursuant to this authorization, other than those resulting from the gross negligence or willful misconduct of Lessor.

In the event that, during the continuance of this Lease, the Lessee shall become liable for the payment or reimbursement of any Assessments pursuant to this Section 8, such liability shall continue, notwithstanding the termination of this Lease, until such Assessments are paid or reimbursed by Lessee.

9. Indemnification. Except as otherwise provided in this Lease, Lessee assumes liability for, and hereby agrees to indemnify, protect and keep harmless Lessor, its employees, agents, successors and assigns from and against any and all liabilities, obligations, losses, damages, injuries, claims, demands, penalties, actions, costs and expenses, including reasonable attorney's fees, of whatsoever kind and nature, arising out of any breach of this Lease by Lessee, or arising out of the possession, use, condition, operation, ownership, selection, delivery, leasing or return of the Units or any Unit, regardless of where, how and by whom operated other than those arising from the gross negligence or willful misconduct of Lessor. The indemnities and assumptions of liabilities and obligations herein provided for shall continue in full force and effect notwithstanding the expiration or other termination of this Lease. Lessee is an independent contractor and nothing

contained in this Lease shall authorize Lessee or any other person to operate any of the Units so as to incur or impose any liability or obligation for or on behalf of Lessor.

Lessor shall not be liable for any loss of or damage to any commodities loaded or shipped in the Units. Lessee agrees to assume responsibility for, to indemnify Lessor against, and to hold Lessor harmless from, any claim in respect of such loss or damage and to assume responsibility for any damage caused to any Unit by such commodities.

10. Lessor's Performance of Lessee's Obligations. If Lessee shall fail to duly and promptly perform any of its obligations under this Lease with respect to the Units, Lessor shall have the option, but not the obligation, to perform any act or make any payment that Lessor deems necessary for the maintenance and preservation of the Units and Lessor's title thereto, including payments for satisfaction of liens, repairs, assessments, levies and insurance, and all sums so paid or incurred by Lessor, and any reasonable legal and accounting fees incurred by Lessor in connection therewith shall be additional rent under this Lease payable by Lessee to Lessor on demand. The performance of any act or payment by Lessor as aforesaid shall not be deemed a waiver or release of any obligation or default on the part of the Lessee, and Lessee shall continue to be liable for any such performance or payment by Lessor notwithstanding the expiration or earlier termination of this Lease.

11. Insurance. Lessee agrees to include the Units in its regular program of insurance but nothing in this Lease shall be deemed to require Lessee to change its insurance program or to take out separate insurance on the Units. Lessee will promptly notify Lessor of any material change in its insurance program.

12. Risk of Loss. Lessee assumes all risk of loss, damage, theft, condemnation or destruction of the Units. Except as provided in this Section 12, no such loss, damage, theft, condemnation or destruction of the Units, or any Unit, in whole or in part, shall impair the obligations of Lessee under this Lease, all of which shall continue in full force and effect. Whenever any Unit shall be or becomes worn out, lost, stolen, destroyed or damaged, from ordinary use, neglect, abuse, fire, the elements or any other cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called "Casualty Occurrences") during the Term of this Lease, Lessee shall, promptly after it shall have been determined that such Unit has suffered a Casualty Occurrence, but in any event within thirty (30) days after such Casualty Occurrence or within such shorter times as may be required by an applicable

rules or regulations of the Association of American Railroads, notify Lessor in writing of such Casualty Occurrence. In the event any of the Units suffers a Casualty Occurrence, Lessee shall pay to Lessor an amount equal to the accrued Rent for such Unit(s) to the date of payment plus the specified Casualty Value with Lessee to retain the destroyed car.

Between Months 01 and 12:	\$30,000.00 per car
13 and 24:	\$27,500.00 per car
25 and 36:	\$25,000.00 per car

13. Annual Report. On or before March 1 of each year during the Term of this Lease, Lessee will furnish to Lessor, Lessee's certificate, as of the preceding December 31, (i) showing the amount, description and numbers of Units then leased hereunder and the amount, description and numbers of units then leased hereunder and the amount, description and numbers of all Units that may have suffered a Casualty Occurrence during the preceding twelve (12) months (or since the Commencement Date in the case of the first such Lessee's certificate), and such other information regarding the condition and state of repair of the Units as Lessor may reasonable request, (ii) stating that, in the case of all Units repaired or repainted during the period covered thereby, the markings required by Section 7 hereof have been preserved or replaced, and (iii) containing all other information in the possession of Lessee that is required to be filed by Lessor with any division of the Association of American Railroads, the Interstate Commerce Commission, the Department of Transportation, or, any other federal, state, administrative, legislative, judicial or governmental body having jurisdiction in the matter. Lessor shall have the right, but not the obligation, by its authorized representative upon proper notice to Lessee, and in such a manner as not to disrupt or interfere with the safe operation of Lessee's business, to inspect the Units and the records of Lessee with respect thereto.

14. Lessee Default. Lessee shall be in default under this Lease upon the happening of any of the following events or conditions (hereinafter referred to as "Events of Default") during the Term of this Lease:

(a) If Lessee fails to pay any sum required to be paid hereunder on or before the due date and such failure

continues for a period of ten (10) consecutive days;

(b) If Lessee fails at any time to procure or maintain any insurance coverage required by this Lease;

(c) If Lessee fails to observe or perform any of the covenants, conditions and agreements on the part of Lessee to be observed or performed and contained herein (other than the payment of any sums required to be paid hereunder and other than the obligation to procure and maintain any insurance coverage required by this Lease) or any schedule or any supplement or rider hereto, and such default shall continue for thirty (30) days after receipt by Lessee of written notice of such default;

(d) If Lessee consents to the appointment of a receiver, trustee or liquidator of itself or of a substantial part of its property, or shall admit in writing its inability to pay its debts generally as they become due, or shall make a general assignment for the benefit of creditors, or shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization in a proceeding under any bankruptcy law (now or hereafter in effect) or any answer admitting the material allegations of a petition filed against Lessee in any such proceedings, or Lessee shall by voluntary petition, answer or consent seek relief under the provisions of any now existing or future bankruptcy or other similar law providing for the reorganization or winding up of a business, or providing for an agreement, composition, extension or adjustment with its creditors;

(e) If an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of Lessee, a receiver, trustee or liquidator of Lessee or of any substantial part of its property, or sequestering any substantial part of the property of Lessee, or granting any other relief in respect of Lessee under the federal bankruptcy laws, and any such order, judgment or decree of appointment or sequestration shall remain in force undismitted, unstayed or unvacated for a period of sixty (60) days after the date of entry thereof;

(f) If a petition against Lessee in a proceeding under the federal bankruptcy laws or other similar insolvency laws (as now or hereafter in effect) shall be filed and shall not be withdrawn or dismissed within sixty (60) days thereafter, or if, under the provisions of any law providing for reorganization or winding up of corporations that may apply to Lessee, any court of competent jurisdiction, custody or control shall remain in force unrelinquished, unstayed or untermiated for a period of sixty (60) days;

(g) If Lessee shall make or permit any unauthorized

assignment or transfer of this Lease, the Units or any interest therein: or

(h) If any material representation or warranty of Lessee contained in this Lease shall prove to be materially untrue or incorrect and the interests of Lessor are adversely affected thereby.

15. Lessor's Remedies. (a) Upon the occurrence of any one or more of the Events of Default specified in Section 14 above, and at any time thereafter (unless such Event of Default shall have been waived in writing by Lessor), Lessor may without any further notice exercise any one or more of the following remedies:

(i) Declare all unpaid Gross Rent under this Lease to be immediately due and payable;

(ii) Terminate this Lease as to any or all Units without relieving Lessee of any of its obligations hereunder;

(iii) Cause Lessee, at its sole expense, to promptly return the Units to Lessor in accordance with the terms and provisions of Section 17 hereof;

(iv) Use, hold, sell, lease or otherwise dispose of the Units or any Unit on the premises of Lessee or any other location without affecting the obligations of Lessee as provided in this Lease; provided, however, that Lessor shall not store any Units on Lessee's premises beyond the Basic Term Expiration Date plus the additional time specified in Section 17 (c).

(v) Sell or lease the Units or any Unit at public auction or by private sale or lease at such time or times and upon such terms as Lessor may determine, free and clear of any rights of Lessee and, if notice thereof is required by law, any notice in writing of any such sale or lease by Lessor to Lessee not less than ten (10) days prior to the date thereof shall constitute reasonable notice thereof to Lessee;

(vi) Proceed by appropriate action either at law or in equity to enforce performance by Lessee of the applicable covenants of the Lease or to recover damages for the breach thereof; or

(vii) Exercise any other right accruing to Lessor under any applicable law or in equity.

(b) If any Unit is sold, leased or otherwise disposed of pursuant to this Section 15, Lessee shall be liable to Lessor for and Lessor may recover from Lessee, as damages for the breach of this Lease, and not a penalty, the amount by which the proceeds of such lease, sale, or other disposition is less than the sum of: (i) All due, unpaid and accrued Gross Rent for such Unit as of the date of the Event of

Default; (ii) The actual value of such Unit as of the date of default by Lessee as determined by an independent appraiser to be appointed by Lessor; (iii) An amount equal to accrued Assessments and other amounts payable hereunder by Lessee with respect to such Unit; and (iv) All cost, expenses, losses and damages incurred or sustained by Lessor by reason of such default including, without limitation, attorneys' fees and appraisal fees. If on the date of termination or repossession pursuant to this Section 15, any Unit is damaged, lost, stolen or destroyed, or subject to any levy, seizure, assignment, application or sale for or by any creditor or governmental agency, Lessee shall remain liable for the damages set forth in this Section 15(b), less the amount of the recovery, if any, actually received by Lessor from Lessee's insurance or otherwise from or through Lessee in connection therewith.

(c) No right or remedy conferred on or reserved to Lessor by this Lease shall be exclusive of any other right or remedy herein or by law provided. All rights and remedies of Lessor conferred on Lessor by this Lease or by law shall be cumulative in addition to every right and remedy available to Lessor. No failure on the part of Lessor to exercise and no delay in exercising and right or remedy hereunder shall operate as a waiver thereof unless specifically waived by Lessor in writing; nor shall any single or partial exercise by the Lessor of any right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right or remedy.

(d) In the event that Lessor shall bring any action, proceeding, or suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such action, proceeding or suit Lessor may recover reasonable expenses, including attorneys' fees, and the amount thereof shall be included in such judgment. In the event that Lessor has incurred any expenses and attorneys' fees in the enforcement of any of its rights hereunder without having brought any action, proceeding or suit to so enforce any such right, then Lessor may recover from Lessee any reasonable expenses and attorney's fees so incurred.

(e) Promptly after Lessee has notice of any event that has occurred and is continuing that would constitute an Event of Default but for the requirement that notice be given or

time elapse or both, Lessee shall give written notice thereof to Lessor.

(16) Lease Renewal Option. Provided that this Lease has not been earlier terminated and no Event of Default has occurred and is continuing, the Lessee may, upon notice given to Lessor 120 days prior to the Basic Term Expiration Date,

or the end of each renewal period for which the option has been exercised, extend the Lease with respect to all of the Units for up to three (3) successive periods of not less than one year each, the first such period commencing on the day following the Basic Term Expiration Date; provided that the total of all such periods under this Section 16 shall not exceed three (3) years. The rent payable for each unit during each one year option term shall be at the same monthly rate as the Basic Rent provided in Exhibit B.

(17) Return of Units. At the expiration of this Lease, or at the direction of Lessor pursuant to Section 15 of this Lease, Lessee shall forthwith deliver possession of the Units to the Lessor. It is agreed that Lessee's return obligation shall be to return the Units free of all AAR Rule 95 damage, and suitable for Interchange under the rules of the Association of American Railroads except Lessee will not be responsible for any requirements of Rule 88 occurring as result of ownership change by the Lessor at Lease termination. For the purpose of delivering possession of the Units to the Lessor as above required, Lessee shall at its own cost, expense and risk:

(a) Place the Units upon such storage tracks of Lessee as Lessor may reasonably designate;

(b) Promptly upon request by Lessor, remove any markings on the Units which indicate Lessee has any interest in the Units and if requested by Lessor, at Lessee's cost, remark the Units in accordance with Lessor's instructions;

(c) Permit Lessor to store such Units on such tracks at the risk of Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor, provided, however, that Lessor shall not be entitled to store such Units on such tracks for more than ninety (90) days after the termination of this Lease; and

(d) Transport the Units to any place on the lines of any railroad operated by Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by Lessor; provided, however, that Lessee shall not be required to transport any Unit more than once pursuant to this Paragraph (d).

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the matter Lessor shall be entitled to a decree against Lessee requiring specific performance of the covenants of Lessee so to assemble, deliver, store and transport the Units. During any storage period, Lessee will, upon proper notice, permit, at Lessor's cost and expense, Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of the Units or any Unit, to inspect the same, provided that such inspection is conducted in accordance with normal industry practice and at such times, and in such a manner that it does not interfere with the safe operation of Lessee's business. Lessee shall indemnify, protect and keep harmless Lessor, its employees, agents, successors and assigns from and against any and all liabilities, obligations, losses, damages, injuries, claims, actions, costs and expenses (including reasonable attorney fees) for personal injuries or property damage arising out of Lessor's inspection of the Units pursuant to Section 13 or this Section 17, other than those resulting from the gross negligence of the Lessor or other party seeking indemnity hereunder.

(18) Assignment. Lessee may not, by operation of law or otherwise, assign, transfer, pledge, hypothecate or otherwise dispose of this Lease or any interest herein, or sublet any of the Units for more than six (6) months, or enter into consecutive subleases to the same sublessee for more than six months, without Lessor's prior written consent; provided, however, that no consent shall be required for an assignment or sublease to an affiliate of Lessee but further provided that no such assignment or sublease shall relieve Lessee of its obligations under this Lease. This lease may be assigned by Lessor only upon the prior written consent of the Lessee which shall not be unreasonably withheld.

(19) Lessee's Representations and Warranties. Lessee represents and warrants as follows:

(a) Lessee is a corporation duly organized, validly existing and in good standing under the laws of the State of Pennsylvania. Lessee has the corporate power to engage in the transactions contemplated by the Lease, and Lessee's execution, delivery and performance of the Lease have been duly authorized by all necessary corporate action on the part of Lessee;

(b) There is no action, suit or proceeding pending or threatened against or affecting Lessee before or by any court, administrative agency or other governmental authority which brings into question the validity of the transactions contemplated by the Lease;

(c) Neither the execution and delivery by Lessee of the Lease nor the consummation by Lessee of the transactions contemplated thereby, conflicts with or results in a breach of any of the provisions of the certificate of incorporation or by-laws of Lessee, or of any applicable law, judgment, order, writ, injunction, decree, rule or regulation of a court, administrative agency or other governmental authority, or of any indenture, agreement or other instrument to which Lessee is a party or by which it is bound or constitutes a default under any thereof;

(d) No consent, approval or other authorization of or by any court, administrative agency, other governmental authority or by any other person is required, except such consents, approvals or other authorizations which have been obtained, in connection with the execution, delivery or performance by Lessee of, or the consummation by Lessee of the transactions contemplated by, the Lease;

(e) The Lease constitutes a legal, valid and binding instrument enforceable in accordance with its terms against Lessee; and

(f) Lessee will deliver to Lessor an opinion of counsel substantially in the form of Exhibit D attached hereto.

21. Invalid Provisions. Any provision of this Lease that is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

22. Miscellaneous Provisions. (a) This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of Lessor and Lessee.

(b) This Lease shall be executed in four counterparts. filing, recording or depositing hereof and of any assignment hereof or out of the marking on the Units as shall be conferred by the laws of the several jurisdictions in which this Lease or any assignment hereof shall be filed, recorded or deposited or in which any Unit may be located.

(d) Nothing contained herein shall give or convey to Lessee any right, title or interest in and to the Units leased hereunder except as a Lessee thereof, and the Units are and shall at all times be and remain the sole and exclusive property of Lessor.

(e) Any cancellation, termination or assignment of this Lease by Lessor or Lessee pursuant to the terms and provisions hereof, or any schedule, supplement, rider or amendment hereto, or any termination of the Term by lapse of time, shall not release Lessor or Lessee from any then outstanding obligations and/or duties to Lessor or Lessee hereunder.

(f) Time is of the essence of this Lease.

(g) It is expressly understood and agreed by the parties hereto that this instrument constitutes a lease of the Units only, and that no joint venture or partnership is being created.

(h) To the extent there exists any conflict between the terms and provisions of this Lease and the terms and provisions of the Interchange Rules or the Codes of Car Hire and Car Service Rules of the Association of American Railroads, this Lease shall control.

(i) Lessee shall not use the Units, or any Unit, for the storage or hauling of any hazardous, toxic or radioactive substance or materials.

(j) Lessee hereby authorizes Lessor, and agrees that Lessor shall be entitled, to access UMLER and receive all information thereof with respect to the Units, or the use and operation thereof, together with all other such information as may be available from the Association of American Railroads, and Lessee agrees to execute such instruments or consents as may be necessary or required in order to carry out the intent of this paragraph (k).

IN WITNESS WHEREOF, the parties have caused this Lease to be executed as of the day and year first above written.

(Date)

ITG INCORPORATED

Victoria, Texas 77901

Attention: President

Ladies and Gentlemen:

As counsel for Consolidated Rail Corporation, a Pennsylvania corporation (the "Company"), we have represented the Company in connection with the authorization, execution and delivery by the Company of that certain Railroad Equipment Lease dated as of November 16, 1990, (the "Lease") between the Company and ITG Incorporated, a Texas corporation. Capitalized terms used herein shall have the same meanings as in the Lease.

In this connection, we have examined originals or counterparts, executed on behalf of the Company, of the Lease and have also examined originals or copies, certified to our satisfaction of such record, certificates and documents as were deemed relevant and necessary in our judgment to render the opinions expressed below.

Based upon the foregoing we are of the opinion:

1. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Texas. The Company has the corporate power to engage in Transactions contemplated by the Lease, and the Company's execution, delivery and performance of the Lease have been duly authorized by all necessary corporate action on the part of the Company.

2. There is no action, suit or proceeding pending or, to my knowledge, threatened against or affecting the Company before or by any court, administrative agency or other governmental authority which brings into questions the validity of the transactions contemplated by the Lease.

3. Neither the execution and delivery by the Company of the Lease nor the consummation by the Company of the transactions contemplated thereby, conflicts with or results in a breach of any of the provisions of the certificate of incorporation or by-laws of the Company, or to my knowledge,

of any applicable law, judgment, order, writ, injunction, decree, rule or regulation of any court, administrative agency of other governmental authority, or of any indenture, agreement or other instrument to which it is bound, or constitutes a default under any thereof.

5. Assuming the due execution and delivery of the Lease by the other parties thereto, the Lease constitutes a legal, valid and binding instrument enforceable in accordance with its terms against the Company.

Our opinion is qualified to the extent that the remedies available to enforce our rights under the Lease may be limited by bankruptcy, insolvency and other laws respecting creditors' rights generally.
